

Required Illinois LAH Webinars

LIFE AND/OR HEALTH

Q1 2026 Schedule

Classes run from **8:30 a.m. to 5:00 p.m. CT (Central Time)** on most Mondays for Life and Tuesdays for Health. Weekend sessions are offered once per month with Saturdays for Life and Sundays for Health.

Review the key concepts that you will face on the state licensing exam.

Join a live instructor in walking through the critical topics and concepts you need to know to pass your exam the first time. To meet your Illinois LAH requirements, dedicate 2 days to attend both Life and Health webinars, ideally in the same week. If you're only pursuing either your Life or Health license, you only need to register to attend that 1-day session.

- Engage and ask questions with experienced instructors
- Review up-to-date and relevant insurance topics
- Receive helpful tips for passing the exam
- Ideal for those having difficulty passing the exam or wanting additional preparation
